

Dear Rhodaine,  
 I enjoyed writing Jeffrey  
 a birthday letter and reminiscing  
 about the past. However, if  
 it is not what you had in mind,  
 please feel free to edit it  
 or tell me to write something else.  
 I hope you can use the  
 photos. The ones of the Parachute  
 Jump & Wonder Wheel are  
 icons from his childhood high-  
 hood. I thought you might find  
 a place for them somewhere in  
 the book.  
 In looking forward to seeing  
 the finished book - it should  
 be very interesting considering  
 the many different people  
 Jeffrey has encountered throughout  
 his life.  
 Please keep in touch, and let  
 me know what I can do to help.  
 Best regards -
