

A spiral-bound notebook with a red cover and white pages is lying on a large, flat, light-colored rock. The notebook is open, and the words "PIPE JUNCTION SHED" are written in black ink on the right page. The notebook is surrounded by a field of small, dark, angular rocks. The background is a dense field of these rocks, extending to the horizon. The lighting is bright, casting shadows on the rocks.

PIPE JUNCTION SHED
